In the Specification:

On page 1, line 1 of the specification, please insert the following:

-1 Cross-Reference to Related Applications

The present application claims priority under 35 U.S.C. § 371 from PCT Application No. PCT/GB00/01841 (published under PCT Article 21(2) in English), filed on May 15, 2000, which claims the benefit of Great Britain Application Serial Nos. 9911614.7 filed on May 20, 1999, 9926049.9 filed on November 4, 1999, and 0003189.8 filed on February 12, 2000, the disclosures of which are incorporated by reference herein in their entireties.-

In the Claims:

Please enter the following new claims.

56. A body treatment product for applying electrical pulses to the skin, having at least one body contactor operable to apply electrical pulses to the body of a person being treated, a control unit operable to control the characteristics of the electrical pulses, and a body unit adapted to be worn on the person and which supports the at least one body contactor, wherein the at least one body contactor is connected to the body unit by linking means which is resiliently biased towards the body when the body unit is being worn by the person.

57. A body treatment product according to Claim 56, wherein the body unit is a head unit adapted to be worn on the head.

58. A body treatment product according to Claim 57, wherein the body contactor is a facial contactor.
